

BYTE® *TACTICAL*

Don't be fooled by its size, the Byte Tactical is a powerful punch in a tiny package. Extremely lightweight and compact, the Byte Tactical offers 200 lumens and four modes: white high spot and low spot, as well as red high and low to avoid compromising night vision. The smartly designed Byte Tactical is equipped with a digital battery lockout, sturdy and simple to rotate single arm bracket, easily accessible battery door enclosure and a large push button.
